Date: 2-1-2005

BayArea BassMasters

## January Winners

Bay Area Bass Masters first club tournament was held on January 8th on Crooked Lake. The winners were Kenny Brit (pictured right top) and Dan Brewster (right bottom). They weighed in a limit of 14.14 pounds of bass.

Dan Brewster also caught the big toad of the day taking the big fish jackpot. His bass weighed in at 7.42 pounds.

What a great day for fishing for everyone, the weather was sunny, hot, and clear. All eighteen boats weighed in fish, now that's Florida bass fishing at its finest.

**KID'S CLUB INFO**

Jeff Frandsen is working on a location to have our kid's club's meeting. It is a new County Park. As of this flyer the Park has not opened it's doors. Jeff will give you the details during this club meeting about the upcoming events for the kids. We feel confident that he will have the location confirmed at this time, and will be able to give dates and times of the kids first club meeting.

Bay Area Bassmasters would like to take this opportunity to "Thank" their sponsors for all of their support they have given since the start of this club. With monies collected from sponsors this club is able to post a web page, conduct youth events, and help with end-of-year classic hotel accommodations. To continue the benefits that this club offers more sponsors are needed. If you would like to help sponsor our club please contact Tom Mahoney or any of your board members.
