

Bay Area BassMasters

Date: 5-1-2006

The May Edition

April results on Lake Kissimmee,

Coming in first was Clay Garrett and Donald Hanchett weighing in a total of 15.22 pounds with a limit.

Coming in second place was Elton Brewer and Gary Ford with 13.66 pounds and coming in third was Joe Hobson and Karl Sunstrund with 12.16 pounds.

Rounding out the top five were Chuck Pons and Mark Rees with 12.04 and Rodney Yavorsky and Paul Calvert with 11.06. Rodney and Paul also captured big Bass honors with a 6.22 beauty.

We would like to congratulate Jeff Baker and Chris Hawker on their second place finish in the Stratos owners Tournament last weekend.

I would also like to let James Adams know that someone else is enjoying the baitcaster and \$100.00 dollars cash that he did not win because he left early. I would also like to remind Mike and Erin That not all Tournaments have a 12 inch limit and to buy a watch. They were only a half hour late on day two. Maybe Mike will bring in his Bass mirror that he won for us to give away with our raffle.

A good number of our guys competed and a good time was had by all. The E-Tec man did not show this time. Something about guns.

Rodney and the big Bass of the day

SHIRTS ARE IN ; BRING MONEY

Elton Brewer and Scotty (Roger Scott) have both been gracious enough to give us a free entry to raffle off at our next meeting and for the rest of the year. So bring in your extra cash and buy a chance for a free entry into this months Tournament. Remember that all money collected goes into our Classic fund for this year. So the more you buy the more you will win in the Classic! And remember if you need something delivered call Elton. And if you need any exhaust work, repairs or custom work, call Scotty.

May's Meeting to be held on May 9th at Beef O'Brady's in Temple Terrace. Located at 51st and Fowler at 7:30pm.

2006 Bay Area Bassmasters Tournament Schedule

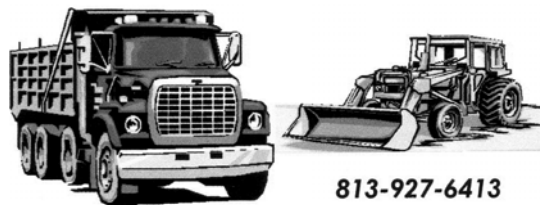

| Month | Meeting Date | Tournament Date | Lake | Ramp |
|-------|--------------|-----------------|-------------------------|-------------------|
| May | 9 | 13 | Lake Istokpoga | Public Ramp on 98 |
| June | 6 | 10 | Lake June in the Winter | Public Ramp |
| July | (Mon)3 | 8 | Lake Toho | Southport |

Lake Istokpoga update; **Low water is going to be a problem on the lake.** They have dropped the lake to a very low level and it can be dangerous if you are not paying attention. We will have to blast off right in front of the dock or you will have to idle out past the grass line to get on plane. Also do not run up on the grass lines and drop down because you could leave your lower unit behind you or damage your prop. Pay attention to your depth finder and be careful and we should have no problems.
