### Important Info:

During our next club meeting on October 5th we will be having officer elections. All positions are open to anyone who would like to run. If you believe you would make a difference in how your club is run now would be a great opportunity for you to make changes as an officer. All current officers are willing to continue the office they hold if you so choose to re-elect them. If all current officers are re-elected we do need one person to fill the position of Youth Director. If you are interested please let Tom Mahoney know by meeting start.
