

February 2015

John and Perry Cincotta Win the Richard's Quality Automotive Harris Clash

BAY AREA

BASSMASTERS

John and Perry take our first tournament of 2015. They only brought 4 fish to the scales but their kicker was also big bass of the day. She went 6.43 pounds and earned them an early lead in the TAOY race. Bob and Warren got second with Casey and Gene close behind in third. Newcomer Greg Mann showed Joe how to catch them for fourth and Brian and Bobby earned fifth place honors. Only 93 fish were brought in out of a thirty five boat field but 93 fish were released alive. Tough fishing but great fish care.

Dick's Sporting Goods – We're already hearing back from some people who received the Gift Certificates to Dick's that they've found an excellent selection of fishing gear at their local shops and have enjoyed being able to use the certificates. Many of our sponsors products are available at Dick's (Frogg Toggs, Culprit, LIVETARGET, Eco-Pro, Gambler, Keitech, Lunckerhunt, and Vicious Fishing)

Culprit – We're off to a fast start this season with some great feedback coming in on the use of the T-Rex worms in both 5" & 6". These are great baits to throw this time of year and work well whacky rigged also.

Bass King Clothing – We are seeing more and more of our members decked out in Bass King gear. Between the items they get from our Club, through Trophy Catch, and on their own they are well represented by our club.

Liquid Mayhem (Rage Fish Attractant) – In case everyone didn't see we had one of our teams (Greg & Joe) do some GoPro filming at Harris after using some Liquid Mayhem on their worms. They immediately caught fish after application. This is a great product that works!

February is Allstate Insurance month. We want to thank Paul for his continued support of Bay Area. Remember your insurance needs change every year so give his team of specialist a call and let them do an insurance check up on you. Most of the time they can suggest things that will make you safer as well as save you some hard earned cash. Give First Patriot Insurance , Paul and his crew a call and see what they can do for you.

Gulfside will be here to accept our 2014 donation as well as show us how it is used in their organization. Once again one of our members needed hospice care. Tom Craighead lost his father-in-law last month after a long illness. Hospice was on hand to help the family as the end was near. As long as they continue to help those in need, we will continue to support them. Thanks Bay Area Bassmasters!

Two new team formats will be explained and voted on Tuesday. The first is a B.A.S.S. Nation trail that will give you another shot at the Classic and the second is an opportunity for a team to win a new, fully rigged, Blazer bass boat. Be there to here all the news.
