Brian Renshaw and Bobby Squires Take Their Second Win In Three Tries At The Lucky Dog Harris Hoedown

Brian left Bobby at home in their first win of the year on the Winter Haven chain. This time Brian let Bobby fish in they brought in another crown as champion of Harris. They ran weighed down south into the Apopka Canal and had a stellar day. The water was dark so they couldn't see their prey but they would flip and pitch at every hole in the grass they found up and down the canals they were fishing. They use Gambler crawdads as well as a Culprit in-crediclaws. They said that just everything went right all day long and it was one of those days that bass fisherman dream about. They brought in 23.68 pounds to blow away the next place team by over 9 pounds. They also brought in big fish honors with a 6.37 pound largemouth. Brian even admitted that Bobby helped with more than just the net. Overall 22 limits were brought in. Here are the rest of the results:

Gulfside Hospice To Receive 2015 Check

At the end of our 2015 season we collected money for Gulfside Hospice. Tuesday night, we present a check to them for \$3350.00. This will bring our total donations to \$18708.00 since 2010. It makes me proud to be a part of an organization that is so generous. Thank you all!

Date changes For FBN Tournaments

As it seems to always happen, The Florida BASS Nation tournaments have run into some scheduling conflicts. The Four Angler Bass Club Team Championship has been moved to July 23rd & 24th. We are still planning on coming out of the city ramp on Toho. We usually put together a few teams to compete in this event. This is on our home waters and we should be able to kick some FBN butt on this one. We are the largest club in the state so lets dominate the field. Talk to your BAB brothers and lets show up in force. Lets lay claim again to being crowned as the #1 club in the state.

The Team Championship that was scheduled in September has been moved to August 27th & 28th out of the city docks in Palatka. This is the two angler team championship. The top three teams go to the national championship and have a chance to qualify for a spot in the 2017 Bassmaster Classic.

It's Jersey Time

It's time to order jerseys again. I haven't got our final proof for this year yet but this is our jersey for 2016. I left the pattern the same as last year. They have given us a contract price this year so we know our pricing. The price of the jersey will start at \$37.50 and go up to \$48.50. Postage and set up will be approximately \$10 a shirt. I will be taking orders at Tuesday's meeting. Hopefully the order will be here for next month's meeting. I do not need to collect your money this month. You have two spaces for your boat and motor or sponsors. Your name will be on the front and back. If you have a sponsor that is a nationally recognized, I may need artwork for the logo. See me Tuesday and will get your orders placed.
